

Saab 9-3 SportCombi  
Genuine Accessories

A person is riding a bicycle on a wide, sandy beach. In the background, there is a large, rocky cliff face with some sparse vegetation. The sky is blue with some light clouds. The overall scene is bright and sunny.

# Equipped for the occasion.

The all new Saab 9-3 SportCombi is designed to integrate with your daily needs. And with our range of Saab Genuine Accessories you can tailor your car to suit your specific requirements. At work, with family and friends, or just heading to your next activity. Our accessories are designed specially for your car to ensure optimal functionality, safety and quality. So when you make your new Saab 9-3 SportCombi genuinely yours – make sure you use Saab Genuine Accessories.

# When opportunity knocks.

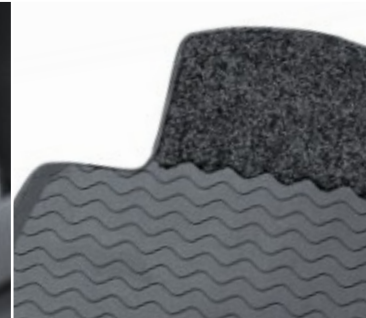

**Bike holder, towbar-mounted** – space for two bikes (three with an adapter). Fold-down function for easy access to the luggage compartment. Number plate holder and lighting.

**Towbars** – choose between a fixed and a removable/lockable towbar.

**Ski box** – with low-profile aerodynamic design. Made of sturdy glass-fibre reinforced polyester. Reinforced sides and bottom. Dual gas-filled struts raise the top. Central locking. 225 × 90 × 29 cm. Volume 460 litres. (Max roof load 100 kg.)

**Auxiliary connector** – fitted in the centre console. Enables connection of portable audio equipment to the car's audio system, such as your MP3-player, minidisk or laptop.

**Mats** – choose between textile, rubber or all-season mats.

**Cargo guard** – metal guard that separates the passenger and luggage compartments. Gives the occupants added protection.

**Cargo mat** – made of rubber. Designed for the luggage compartment. Protects the carpeting against dirt, water and wear.

**Cargo space divider** – fitted together with the cargo guard. Convenient when travelling with pets.

**Bike holder with lift** – the bike is inserted at door height, then lifted with the help of gas-filled struts and secured to the roof rack. Can be adjusted to accommodate a variety of bikes. Lockable. Made of aluminium.

**Kayak/canoe holder** – with adjustable rubber supports that mould to the hull. The kayak is secured using robust tensioning straps.

**Roof racks** – choose between roof rack systems for fitting directly onto the roof or onto the optional roof rails.

**5-spoke Claw** – 18 × 7 1/2"  
light alloy wheels

**Extending ski/board holder**  
– slides out from the car roof  
for easy loading and unloading.  
Holds six pairs of skis or four  
snowboards. Lockable.

**Sports chassis** – designed to  
help improve stability and control.  
Firmers springs and stiffer shock  
absorbers mean better body  
control, cornering and braking.  
The improved roadholding allows  
a more active driving style.

**5-spoke Split** – 18 × 7 1/2"  
light alloy wheels

# Boost your sporty spirit.

**5-spoke Double Bridge** –  
17 × 7 1/2" light alloy wheels

**15-spoke** – 17 × 7"  
light alloy wheels

**Door trim, metallic-effect** –  
for the front and rear doors.

**Aero steering wheel** – sports steering wheel with accentuated thumb grips and thick ergonomic grip, trimmed in leather. Includes metallic-effect inserts.

**Steering wheel inserts, metallic-effect** – designed to match the other metal-finished details of the interior.

**Centre console trim, metallic-effect** – designed to match the other metal-finish details of the interior.

**Glove box trim, metallic-effect** – designed to match the other metal-finish details in the interior.
